

*A rich indulgent cream that restores the body and firms the skin simultaneously. Your Restorative Body Cream will protect the skin from environmental pollution while plant extracts and bio-minerals will firm the skin. It is an excellent moisturizer and contains powerful anti-inflammatory action. Although it is aimed at Pregnant clients, we recommend the use of the Restorative Body Cream to growing teenagers and clients with extremely dry skin.*

### WHAT MAKES ME DIFFERENT?

It is a super combination of Herbal Extracts, safe Essential Oils and rich hydrating actives. A body treatment with Collagen - a first of its kind.

### HOW DO YOU APPLY ME?

Use all over the body to moisturize, firm and protect.

### WHAT ARE MY ACTIVES AND BENEFITS?

- **Urea** - a brilliant skin conditioner.
- **Safflower Seed Oil** - gives the skin a soft and smooth appearance immediately.
- **Glyceryl Monostearate** - was added to make sure it is a non sticky product.
- **Shea Butter** -for deep hydration.
- **Lanolin** - an ingredient extracted from the oil glands of sheeps wool to soften and nourish the skin.
- **Panthenol**- is a Vit B5 that acts as a super skin conditioner and food for the skin.
- **Cyclomethicone** - forms a protective barrier to lock in moisture and avoid water loss.
- Undiluted **Vit E** for extra hydration.
- **Allantoin** - protects the skin against irritations.
- **Lady's Mantle** - rich in essential oils and Vit C - regarded as the golden herb.
- **Horsetail Extract** - rich in minerals potassium, and calcium to strengthen the skin.
- **Common Ivy** - known for blood vessel protection.
- **Honey** - our natural humectant.
- **Ylang Ylang** - instantly relieving inflammation of the skin.
- **Grapefruit Oil** - a great source of Vit C and a superior anti-oxidant.
- **Rose Oil** - containing a complex array of vitamins, minerals, and anti-oxidants.
