

Leaves the skin velvety smooth, radiant and glossy. Anti-oxidant Vitamin E protects the skin against free radicals while nutritional Argan oil increases elasticity and fights skin allergies. Contains Calendula, Rose, Arnica and Vitamin A oils. This product is safe to use on your face and body. The Body Science Argan Body Gloss is a fast absorbing dry oil spray for instant hydration.

Argan Body Gloss

WHAT MAKES ME DIFFERENT?

Why settle for one pure oil when you can have all your favourites in one bottle. This is a record amount of oils combined in one dry solution. It guarantees not to stain clothes.

HOW DO YOU APPLY ME?

Use as a daily routine after showering or taking a relaxing bath with your Elim Body Polish. Massage the oil into the body to soften and moisturize.
